

# TagTrans®

The Multi Frequency  
RFID Read/Write-Device  
with Industrial Bluetooth

TagTransPromoE03

**RFID & Barcode 2D Imager**  
UHF, HF, LF

**Bluetooth Class1, up to 100 m**  
Bluetooth 2.0 + EDR

**Optional ATEX approved**  
Intrinsically Safe

**LED Indicators, Piezo Buzzer**

**IP67 – Rugged and Encapsulated**  
Housing with Shock Absorbers

**Optional Cable Version**  
USB or RS232 Interface

**Trigger ON/OFF Motion Sensor – Low Power**  
Consumption

**Longlife Battery Pack**

## TagTrans® – Dome- and Flexi Versions

# TagTrans® – Exceptional Features

TagTrans® is a new way of data collection. It has an integrated RFID and Barcode scanner and a powerful Bluetooth interface. TagTrans® connects to Handhelds, PCs, Laptops und even Mobile Telephones.

TagTrans® is an easy way to make your handheld to a RFID reader (writer), using this feature it saves money. No need to buy expensive and high integrated PDTs. You get full flexibility in reading with no extra costs because you could use your standard hand held computers and terminals and read RFID.

The RFID module supports most common ISO 18000 RFID technologies (such UHF, ISO 15693, ISO 14333 Mifare, LF, ISO animal, etc...)

- RFID: MultiTag support for UHF (868, 926 MHz) or HF (13,56 MHz) or LF (125 / 134 kHz)
- Barcode scanner: 2D imager for all barcodes and 2D barcodes
- Bluetooth Class1 up to 100m, Bluetooth 2.0 with ERD
- Powerful micro processor, flexible protocol converter
- Housing robust design industrial, glass fibre enforced, rugged modular design
- IP67, encapsulated housing
- Sealing rings, shock absorbers, roll away protection
- Compact powerful battery pack Lilon 4500 mAh
- FlexiScan Version with flexible antennas
- Optional ATEX approved intrinsically safe ATEX E EX nL IIC T6
- LEDs for power and communication, Piezo Beeper
- ON/OFF motion sensor for low power consumption, no trigger
- Cable version with USB or RS232 interface
- Optional wrist strap, pistol grip or magnet
- Cradle with car battery charger
- Lowest price for best technical features

**TagTrans® Flexi Version for  
difficult Applications**
