Symphone N2

1D	2D	GPS	3G	WIFI
Android	System	Performance	Camera	Bluetooth

Rugged, Accurate and Easy to use

- The dual-core processor guarantees excellent performance and speed.
- An optimized system with efficient memory usage, excellent compatibility and APP development friendly.
- Creating a professional interactive experience.
- Ruggadized, reliable and user-friendly.
- An innovative power management system provides productivity and and extended battery life.

An innovative interactive experience

- IPS, 3.5 inch WVGA, 480*800 pixel.

- R-TP and keyboard. Supports dry/wet hands and gloved fingertip input.

- Ergonomic and lightweight design, making it comfortable to carry the device around all day.
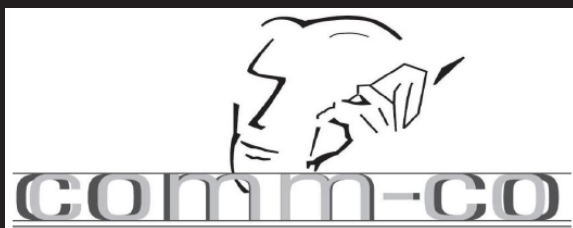

High-grade industrial protection

- Carefully selected industrial material and bi-color injection molding technology make the device reliable in severe conditions.
- IP 67 supports usage in circumstances that include rain, snow and dust.

- Android powered device with an excellent user experience

- IP 67 rugged device, dustproof, waterproof and shockproof

Specifications

Physical Specifications	Model	N2	
	Dimensions	167*72.5*24mm	
	Keys	Front: Number keys, Five-navigation key, Menu key, Home key, Back key, Del key, End key, Dial key, Self-definition (Fl,FZ,F3,F4)Keys Sides: Power key, Left-scan key, Right-scan key, PTT key, Volume+/- Camera key	
	Input	English, pinyin, handwriting, soft-keyboard	
Product Performance	OS	Android 4.2.2	
	CPU	Dual-core 1.2 GHz	
	Screen	IPS, 3.5inch WVGA, 480*800 pixel	
	Touch	Resistive Touch Screen	
	Memory	ROM	4GB/8GB
		RAM	512MB/1GB
Barcode Scanning	1D	Code39, Codabar, Code128, Interleaved 2 of 5, UPC, EAN, MSI, and more	
	2D (optional)	QR, PDF417, DataMatrix, MaxiCode and more	
Network	Wi-Fi	IEEE 802.11 b/g/n	
	WCDMA/GSM	WCDMA: 2100 MHz , GSM: 900 MHz, 1800 MHz	
	Bluetooth	BT 3.0 + HS, BT v2.1 + EDR	
	Camera	High-definition, auto focus	
	GPS	GPS, AGPS	
Battery	Capacity	4000mAh	
Endurance	Standby	500 hours	
	Talking	20 hours	
Ports & Accessories	T-Flash	Micro SD/TF (up to 32 GB)	
	SIM	Mini-SIM card	
	Jack	Micro USB, 3.5mm Audio jack, DC jack	
	Charging stand	Optional. Charging device and battery simultaneously	
	Others	Printer (optional) supports BT-connected devices, Adapter, Cable, Pen, Belt	
Certificates & Protection	Industrial protection	IP 67	
	Certificates	CTA, CCC, CE, RoHS	
	Laser Safety	IEC2 /FDA Ⅱ, IEC60825/EN60825-1
