

## ELSR/ELSR - H connection kit EL-PLEX

**Certificate: KEMA 00 ATEX 2018**  
**Classification: II 2G EEx e II T3**  
**Ambienttemperature max. switched on: + 120 °C**  
**Supply Voltage**  
 AC/DC 254 V  
**Circuit breaker**  
**Characteristics C**  
 max. 20 A  
**Installation temperature min.**  
 -30 °C  
**Bending radius, Heating cable**  
 > 25 mm  
**Protection classification**  
 IP 68  
**Ex-Approval according to**  
 94/9/EG

### Benefits:

- Various applications
- Quick and easy to install
- Easy operating and maintenace

The right to amend technical data is reserved.
